Research Interests	My research focuses mostly on algorithms in theoretical computer science. I am interested in combinatorial optimization, approximative and parameterized algorithms. Most of my work is connected to scheduling and (integer) linear programming.	
Academia	Post-Doc EPFL (Lausanne, Switzerland)	10/2019 - current
	Ph.D. University of Kiel (Kiel, Germany)	02/2016 - 09/2019
	M.Sc. (Computer Science) University of Kiel (Kiel, Germany)	03/2013 - 02/2016
	B.Sc (Computer Science) University of Kiel (Kiel, Germany)	10/2010 - 02/2013
Industry	Research Assistant VMWare (Palo Alto, USA)	04/2015 - 05/2015
	Research Assistant Oracle Labs (Redwood Shores, USA)	02/2014 - 04/2014
	Research Assistant Oracle Labs (Redwood Shores, USA)	03/2013 - 09/2013
Awards and Honors	I was admitted a scholarship by the Studienstiftung (German Academic Scholarship Foundation), a prestigious German organization that supports exceptionally talented students. My Master's degree was among the three best (by grade) within the graduating class. My Bachelor's degree was the best.
